MIVA Unpaved 2025 - Bike Race

This event is an enjoyable day out and really good practice for handling traffic for a community event. Last year many NARA members had a great time helping the Nanaimo based **Mid-Island VELO Association** bike group with their unpaved bike race around Mt Benson. This year NARA has been invited back to help out the group. This is a great opportunity for NARA members to put their radio skills to great use for the local community. If you have not been involved with this event before, no worries, you will be placed with a NARA member who has experience with this event. This year's off-road bike race takes place on **Sunday June 15.**

This is a call for volunteers
